

VET Delivered to Secondary Students

2021 Taster Tours

In June/July, students from across the region will have the opportunity to gain an insight into their future at The Gordon.

The Gordon is running Taster Tours for year 9 & 10 students interested in the VET Delivered to Secondary Students Program in 2022, giving students insight to workshops, studios, simulated facilities, teachers and current VET students at work.

We hope to give students a 'taste' for what they could be doing during and after their senior years at secondary school.

The taster tours aim to enable students to become familiar with the TAFE environment and see vocational areas in action before they make their choices for the VET Delivered to Secondary Students Program.

A wide range of courses will be included as tour stopping points, held at the Geelong City and East Geelong campuses.

Tours will run according to two paths below at differing campuses, as detailed in the schedule below.

City campus Tour for Sacred Heart College : Wednesday 21st July, 1:30pm - 3:20pm

East campus Tour for Sacred Heart College : Wednesday 28st July, 1:30pm - 3:20pm
